

THE MCCIA AWARDS

EXCELLENCE DOESN'T ALWAYS ANNOUNCE ITSELF.

It can be an innovation that solves a longstanding problem.

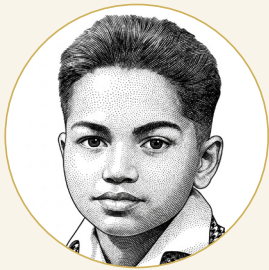

An entrepreneur building something from the ground up.

A business taking Indian capabilities to global markets.

An organisation making sustainability part of how it operates.

The MCCIA Awards 2026 recognise such achievements across industry, entrepreneurship, innovation, exports, sustainability and social responsibility.

92 Years of Legacy

The Mahratta Chamber of Commerce, Industries and Agriculture (MCCIA) is one of India's oldest chambers of commerce, established Pre-Independence. MCCIA was established in 1934 to promote industrial and economic growth in the region and beyond. MCCIA serves as a platform for businesses, industries, and entrepreneurs to collaborate, share knowledge, and advance economic development.
